Obligatory travel insurance for Schengen visa applicants

All applicants for Schengen visa are required to submit an adequate and valid **travel insurance** to cover any expenses that might arise in connection with repatriation for medical reasons, urgent medical attention and/or emergency hospital treatment. The insurance must cover the entire period of stay and be valid throughout the territory of all the Schengen states: Austria, Belgium, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, the Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden and Switzerland.

The minimum coverage should be EUR 30,000.00. The insurance may be purchased in Ghana or abroad. The proof of insurance has to be submitted upon application. All applicants that have been granted multiple entry visas are required to sign a declaration stating that for every subsequent visit to Schengen territory within the duration of the multiple entry visa, he or she will be in possession of a medical travel insurance.

Below is a list of the local insurance companies offering such a cover and presently fulfilling the requirements. Please note that this list is not conclusive. The Embassy does also accept other insurance policies that comply with the above-mentioned requirements.
