

Requirements for Students and Language Course Students

The German Embassy in Accra is responsible for processing visa applications of residents of **GHANA, LIBERIA and SIERRA LEONE**.

All applicants have to apply in person at the German Embassy. Appointments can **only** be booked through the [Embassy's Online Appointment System](#).

Please note that incomplete applications cannot be accepted. In this case the appointment will have to be re-scheduled. Documents handed in prior to the appointment date cannot be accepted.

PLEASE NOTE:

- The processing of visa applications in general takes a minimum of 8 weeks, as all student visa applications have to be forwarded to the competent German aliens authority by post for approval. Applicants are encouraged to submit their applications well in advance of the enrolment deadline to allow sufficient time for processing.
- Please note that the processing time for scholarship holders (from DAAD, German universities or other German or European official funds) is 4 working days.
- The visa fee is **75.00 Euro, only payable in cash in Ghana Cedi** at the current exchange rate of the Embassy. The processing fee is not refundable in case of denial of the visa.
- Visa application forms are free of charge and are available on the [website of the Embassy](#).
- In addition to the standard requirements, additional supporting documents may be required, depending on the specific nature of your application. The Embassy does not return forms, photos or any documents in case of refusal or if the application is withdrawn. Fraudulent documents may be sent to the relevant authorities.
- If the visa is granted, it is your duty to verify whether the information printed on the visa sticker is correct and complete and to report any errors to the Embassy immediately. When picking up the passport, a valid travel health insurance covering the period from the first entry into Germany until enrolment at university has to be presented.

Information on the requirement of proof of adequate financial means:

The applicant has to show proof of sufficient funds for the entire duration of the studies or courses (no less than 720.00 EUR per month). If the applicant has to pay tuition fees, the applicant has to provide proof of financing of these additional costs as well.

There are three options to finance your stay:

a) **scholarship** from German/European public funds or by an organisation that promotes education and is approved in Germany. A scholarship from public funds of the applicant's country of origin is also accepted, a blocked bank account will then have to be opened (for further information see below).

b) **formal obligation** ("Verpflichtungserklärung") according to Sec. 66 to 68 of the German Residence Act for the purpose of studies/language course covering the entire duration of stay, signed by a person living in Germany at the local competent office in Germany. The formal obligation can only be accepted as an adequate proof of finance with the remark "*Die finanzielle Leistungsfähigkeit des/der Verpflichtungserklärenden wurde nachgewiesen.*" (The financial capability of the sponsor has been verified).

c) **sponsorship** by a person living in Ghana/Liberia/Sierra Leone. In this case, a letter of sponsorship is required, confirming that the sponsor is willing to support the student with 720.00 Euro per month for the duration of the studies.

All sponsors residing in Ghana/Liberia/Sierra Leone are kindly requested to accompany the applicant to the interview at the visa section. The sponsor must present valid identification (passport), letter of motivation of sponsorship and proof of financial viability (current original bank statement covering the last 3 months, payslips, company registration documents, etc.).

If the German Embassy, after assessing your visa application, intends to issue the visa, you will be contacted by the Embassy and asked to open a **blocked bank account** in Germany with an amount of 8,640 Euros for the first year of your studies. You have free choice of provider. Information on providers that offer this service worldwide is available on the [website of the Federal Foreign Office](#).
